NINE INDICTED FOR DRUG TRAFFICKING AND FIREARMS CRIMES

Eight arrested in Trotwood roundup; one remains at large

TROTWOOD, Ohio – Bureau of Alcohol, Tobacco, Firearms and Explosives special agents (ATF), Trotwood Police officers and members of the United States Marshals Service Southern Ohio Fugitive Apprehension Strike Team (SOFAST) have arrested eight individuals indicted by a federal grand jury in Dayton on narcotics and firearms charges. Those arrested are part of a group of nine defendants named in a 23-count indictment returned under seal on November 13 and unsealed today. One defendant remains at large. The indictment was the result of a seven-month investigation conducted by the ATF and the Trotwood Police.

Gregory G. Lockhart, United States Attorney for the Southern District of Ohio; Christopher P. Sadowski, Special Agent in Charge, Bureau of Alcohol, Tobacco, Firearms and Explosives, and Trotwood Public Safety Director Michael Etter announced the indictment and arrests today.

Sadowski, Special Agent in Charge, ATF, Columbus Field Division said, "Trotwood's future is brighter today because drug traffickers and those that threatened this community with gun violence have been removed to face stringent penalties in federal court. ATF is committed to ridding our communities of the plague of violence associated with drug trafficking."

"Today is a victory for law enforcement and for the citizens of Trotwood. This was a joint effort between Trotwood and federal law enforcement that spanned over seven months and resulted in making Trotwood and Montgomery County a safer place. Trotwood is very appreciative of the cooperation and teamwork shared between the federal agencies," said Michael Etter, Director of Public Safety Trotwood.

"Illegal drug trafficking and illegal gun trafficking are two poisonous crimes in communities," Lockhart said. "I want to commend all ATF agents and Trotwood Police officers who have undertaken this investigation."

Those charged in the indictment are:

Reginald Langford remains at large.

Five federal search warrants were also executed on November 20 at locations in Trotwood. Approximately \$3,900.00 in cash was seized along with 14 firearms and a small quantity of suspected crack cocaine from the various search sites.

All defendants except for Henry Pierce are charged with conspiracy to distribute crack cocaine, which carries a minimum sentence of ten years imprisonment and up to life imprisonment. The gun charges for all defendants except Henry Pierce carry a punishment of at least five years imprisonment consecutive to any other time served.

An indictment is merely an accusation. All defendants should be presumed innocent until and unless proven guilty.
